

# The Ethical Community Charter School ~ Jersey City

Dear Parents & Guardians,

Welcome to Middle School! At TECCS our academics are organized into collaborative Project Based Learning Units. This will be a year full of new and exciting experiences and opportunities for your children.

**Transitioning to classes:** Students will travel throughout the day to the classes and teachers listed below:

- **Social Studies** – Ms. Roseangela Mendoza
- **Science** – Mr. Vincent Leggio
- **Math** – Mrs. Anshu Bansal (6th, 8th), Ms. Eva Marie Jennings (7th, 8th) Ms. Danielle DeStaso (7th, 8th), Mrs. Elizabeth Williams (6th)
- **English Language Arts** – Mrs. Shalise Clemons (6th, 7C), Ms. Lisa Bello (7B, 8th) Ms. Danielle Sardone (7th and 8th), Mrs. Elizabeth Williams (6th)
- **Health/Physical Education** – Mr. Jason Morales
- **Art** – Ms. Pat Kelly
- **Music** – Ms. Melissa Kay
- **Ethics** – Mr. Geoffrey Renaud
- **Technology** – Miss Tyenah Pressley
- **World Language** – Señora Yesenia Natera

**Usage of lockers:** Students in grades 7 and 8 will continue to use their assigned lockers from last year (new students will be assigned lockers). Sixth graders will also be assigned lockers, and will begin using their lockers upon signing a TECCS locker contract. Throughout the day, students will have designated, supervised locker times when they will be allowed to visit their lockers and switch out their books and supplies.

**Field Trips:** We also have exciting field trips planned for each grade; including: overnight, out of state, and walking trips to various locations.

We are very excited to work with your children! As always, communication is key to ensuring that your children have the best middle school experience possible. Please feel free to contact any of us via email (**firstname.lastname@teccsjc.org**) with any questions or concerns you may have.

With Kind Regards,  
The Middle School Team
