

hello!

Welcome Third Graders!

We are Mrs. Brower and Mrs. Warren. We are so excited to be your teachers this year. We are going to do so many *fun* things and, of course, we will do a lot of *learning*. We hope you had a fabulous summer and we can't wait to hear all about it.

You can expect to do some cool projects and science experiments, to practice for the PARCC test, and to learn multiplication, division, and cursive hand writing. In addition to supplies, it's important that you bring 5 to 8 pictures of your favorite things and memories on the FIRST DAY of school. You will use these pictures to decorate your Writing Notebooks. These pictures may include anything that can create some writing *inspiration*, such as, favorite sports, vacations, pets, families, and/or events.

Here are a few of our favorite things to help you get to know us:
